ABOUT ZIONSVILLE FARMERS' MARKET

Our mission is to support health and wellness through food products, environmental sustainability, the local economy, family farms, and small business.

Our nonprofit organization began in 1997 by volunteers who saw an opportunity to bring fresh, local produce to the Zionsville community. Since then, it has grown into a staple of Zionsville summers, providing those who visit with produce, baked goods, and freshly-prepared food by our fantastic vendors. We pride ourselves on a diverse group of vendors and goods that bring people from near and far to the heart of Zionsville, located right on our historic main street. Our market runs on Saturdays from May through September and attracts thousands of people. When you attend the Zionsville Farmers' Market, you will see 40 to 50 different local businesses, live musicians, local nonprofits, and neighbors coming together to create a sense of community.
